

Entrepreneurial Educators Workshop

PROGRAMME OVERVIEW

Covenant University has advanced the level of entrepreneurship education in Nigeria, beyond what used to be known.

This is a workshop to equip all entrepreneurship directors, entrepreneurship educators, heads of departments and academic planners with the knowledge, skills and tools to cultivate and develop entrepreneurs.

Tested and Proven Techniques

This workshop will be the platform to share and equip participants with the techniques we have proved, which is responsible for some of the results we have been generating.

Our mission is to ensure that we all contribute to raising men and women that will not add to the number of unemployed graduates but help reduce the level of unemployment by becoming entrepreneurs that create opportunities, value and wealth for our country.
