# About Centre for Entrepreneurial Development Studies

*The Centre for entrepreneurial development studies (CEDS), Covenant University is an enterprise development Centre established by Covenant University in 2002 to consciously cultivate job creators instead of job seekers. It is a Centre borne from a passion to equip individuals and organizations to create and secure the future by creating values, opportunities and wealth*

*Our mission is to drive the culture of enterprise and innovation. This we achieve by equipping individuals and organization through relevant and strategic trainings, research and startup incubation.*
